		EDUC	ATION AND SCHOLASTIC ACHIE	VEMENTS	
Program		Institution	CGPA / Percentage	Year	
B.Tech in Mechanical Enginee		eering	Indian Institute of Technology Madras	7.5/10	2026
XII (CBSE)			Vishwanath Appa Hurne College	87.83	2022
X (CBSE)		Mahatma Phule English School 98% 2020 ■ Bagged a software development internship role at BNY (on-campus).			
Scholastic Achievements		 Attained 190/200 in Computer Science in Class XII. Attained qualification for Stage-2 of 3 stages in Homi J. Bhabha Balvaidnyanik exam. Secured 98.40 percentile in JEE Mains, attained category rank of 1247 in JEE Advanced. Scored 99.2 percentile in State Common Entrance Test Cell (CET). Successfully solved 200+ leetcode questions of various data structure and algorithms. 			
		PROFESSIONAL EXPERIENCE AND PROJECTS			
Vulnerability Management Summer Internship'25 @BNY [Jun'25]		Real-Time Risk Dashboard with API-Driven Data Ingestion and Workflow Automation.			
		 Fetched vulnerability data from API servers and ingested it into the Snowflake database. Built interactive Dash UI dashboards for real-time tracking, using bar charts and pie graphs. Scheduled API data fetch via Airflow DAGs with synchronized Dash dashboard refresh. 			
JIRA Automation Summer Internship'25 @BNY [July'24]		Integrated automated Jira creation and record tracking into same Vulnerability Risk Dashboard			
		 Integrated Jira REST APIs to bulk-fetch vulnerability JSON payloads with custom query filters. Added one-click API call to create Jira issues, also supporting multiple Jira creation at once. Updated new ticket keys in DB and dashboard using Pandas and Snowflake Connector. 			
Digital Twinning [ME3302- Course Project]		Live tracking of product status on the assembly line using RFID-enabled digital twin			
		 Developed a Java-based digital twin with RFID for real-time tracking of 100+ parts. Linked RFID tags to virtual models to accurately track part states during their assembly. 			
		Built a responsive UI to display part movement and status with time via event-driven updates.
